ATLÂNTICO
ARQUITECTOS

Contacto Atlântico is a global architectural firm, based in Portugal and founded in 1996 by Arch. André Caiado.

With an extensive global knowledge and expertise, in architecture, urban planning, design, landscaping, engineering and project management, we are committed to deliver quality and efficiency to our clients. Our global perspective as well as the privileged relationships that we have established with our national and international clients, enable us to cater new clients with great proximity in all continents.

We owe our success to a dedicated and qualified team led by Arch. André Caiado with a deep understanding of every aspect of the architectural practice. We are proud to say we only use cutting edge technologies to achieve the best living environment for human usage.

Project Design architectural projects; rehabilitation projects; interior design.

Project Managment architectural projects coordination; engineering projects coordination; construction coordination and supervision.

Consulting market research and analysis; numerous branding operations; environmental analysis and assessment of comercial facilities.
